ABOUT THIS EVENT

The Orlando Xtreme Marathon is one of the best off road running marathons in Florida and one of the most scenic anywhere! In its 3rd year, it is fast becoming a regional favorite. After training and racing in fall and early winter events use this course, designed to alleviate injury to knees, back and joints, to capitalize on your 'Super Fitness'. The course is staged on berm roads, through fields and on single track and takes place in beautiful natural scenery.

BENEFICIARIES

Sooper Kids Foundation is a 501(c)(3) non-profit corporation whose mission is supporting community youth fitness programs. In a day and age where youth obesity is a national crisis, we believe that supporting those who have programs to help youth fitness is the best strategy to effect change.
